Team Captain Toolkit

How to fundraise and friend-raise your way to Top Team status
Dear Team Captain,

The health and safety of our community will always be top priority at NEDA, which is why we have opted to host a totally virtual NEDA Walk season. And although we can’t physically be together right now, we can still be there for each other! We need community now more than ever - and I want to thank you and your teammates for being a part of ours.

While this NEDA Walk season will be different, we are committed to bringing you the same inspiring and unifying NEDA Walk experience. We will be hosting five regional NEDA Walks where you can expect empowering speakers, activism, entertainment, fundraising rewards, and more!

As a virtual NEDA Walk Team Captain, you have the special opportunity to raise awareness and vital funds that will make a difference in the millions of lives affected by eating disorders. The funds you raise will support NEDA’s life-saving programs, resources, advocacy efforts, and research initiatives.

The following Virtual Team Captain Toolkit contains everything you need to know about participating in the Virtual NEDA Walk, like how to become a top fundraiser and what to expect on event day.

Thank you again for being a fearless a leader in our community. We can’t wait to unite at the Virtual NEDA Walk! Together we will support, celebrate, and honor the lives affected by eating disorders.

With gratitude,

Jessica Hickman

Start friend-raising right away!
Invite family, friends, classmates, and co-workers to walk with you! Whether you have five teammates or 25*, you can make a difference in the fight against eating disorders. Make sure to provide your team page registration link so your loved ones can easily sign up.

Personal your team page with a photo and story
Your fundraising page is your team’s chance to shine! Use this space to share your story, why this walk is so important to you and your team, and how reaching your fundraising goal will help the millions of individuals and families affected by eating disorders. To edit your team page, log in to your participant center by visiting nedawalk.org, selecting your walk region, and clicking the orange “Participant Center” button.

Set a fundraising goal with your team of at least $1,000
Fundraising is a vital part of NEDA Walks! The funds you raise fuel NEDA’s life-saving programs and resources – like our helpline, online screening tool, research grants, advocacy efforts, and more. Did you know that when your team raises $1,000, we can operate the NEDA Helpline for 10 hours? That means a lot to those calling in for support.

Kick-start your team fundraising by making a selfdonation
“The most powerful leadership tool you have is your own personal example.” Whether you can contribute $5 or $500, show yourself (and your team) some love by making a donation your personal fundraising page. Your friends and family will excitedly follow suit with a donation when they see your personal investment toward your fundraising goal.

Connect your NEDA Walk Fundraiser to Facebook
Log into your participant center and click “Connect to Facebook.” You can also share your fundraising page link on Facebook, Twitter, Instagram, and any of your other social networks! Social media is an easy way to share your participation and ask your friends and followers to donate.

Coach your team toward your fundraising goal!
Send out frequent encouragements and reminders to your teammates about the walk and your fundraising status. Share fundraising tips, encourage members to launch their own Facebook fundraisers, and offer a little extra support to those teammates who haven’t had a chance to start raising funds. Check out the next page of this packet for more virtual fundraising tips!

*Please follow CDC guidelines and recommendations from local health officials when deciding to walk with team members outside of your household.
You have the power to save lives.

START WITH YOUR INNER CIRCLE
The best people to ask to support your fundraising efforts are those closest to you! Start by asking for donations from family, friends, coworkers, classmates, neighbors, etc. Your network will love to support a cause they know is so important to you. Plus, all gifts are tax-deductible!

SHARE ON SOCIAL MEDIA
Connect your NEDA Walk fundraising page to Facebook by logging into your participant center and clicking "Connect to Facebook." Social media is the easiest way to jump-start your fundraising journey. Share your fundraising link on your social media often - you never know who might click and give!

FACETIME
Asking face-to-face is the most effective way to rally support, and you can still do that - just virtually! Use FaceTime or any video conferencing platform to check in with your loved ones and let them know why you are fundraising for the NEDA Walk!

EMAIL BLAST
Asking potential donors in-person is challenging right now, but you can always use email to contact family, friends, and larger groups. Make your donation requests personal by sharing why you are passionate about the cause. Include a hyperlink to your personal fundraising page so people can easily click to donate!

Dear Family and Friends,

I am virtually walking and fundraising to support the National Eating Disorders Association (NEDA). The funds I raise will support those affected by eating disorders. Eating disorders are life-threatening illnesses that affect millions of individuals and families every day. Despite their prevalence and high mortality rate, eating disorders are still widely misunderstood and underfunded mental illnesses. Will you help me make a difference in the fight against eating disorders?

By supporting me with a donation, you will also be supporting life-saving prevention and support programs (like NEDA's screening tool and free helpline), advocacy efforts, and research initiatives.

As you may already know, I’m walking [write personal reason for walking here]. Please consider donating to support me today. You can make your tax-deductible donation online using this link to my personal page and clicking “Donate Now” or, if you would prefer, you can send your contribution to the address listed below. Just remember to include my full name on the check memo!
