- The National Eating Disorders Association Walk participants who register and raise funds are eligible to redeem a recognition gift based on their fundraising totals. You may redeem any item from your highest level achieved (or under).
- General team fundraising totals and non-participating donors do not qualify for recognition gifts. The National Eating Disorders Association Walk recognition gifts are not cumulative.
- The National Eating Disorders Association reserves the right to substitute a gift of equal or greater value or to change the recognition gift at any time.
- Gift certificates must be redeemed within four weeks of receipt. All eligible walkers will receive their redemption certificates via email or US mail approximately two weeks after the close of fundraising.
